List of Referees for Submissions Processed in 2016

Wasif Afzal, Mälardalen University, Västeras, Sweden

Željko Agić, University of Zagreb, Faculty of Humanities and Social Sciences, Croatia

Andrea Arcuri, Westerdals School of Arts, Communication and Technology, Oslo, Norway

Miroslav Bača, University of Zagreb, Faculty of Organization and Informatics, Varaždin, Croatia

Samir Kumar Bandyopadhyay, University of Calcutta, India

Hrvoje Bogunović, Medical University of Vienna, Austria

Nenad Bojčetić, University of Zagreb, Faculty of Mechanical Engineering and Naval Architecture, Croatia

Markus Borg, Swedish Institute of Computer Science, Sweden

Hrvoje Budinčević, University Hospital Sveti Duh, Zagreb, Croatia

Federico Castanedo, University of Deusto, Spain

Anderson Chaves Carniel, Department of Computer Science, University of Sao Paulo, Brazil

Min Xiou Chen, National Dong Hua University, Taiwan

Jingwei Cheng, Northeastern University, China

Haitao Cheng, School of Computer Science and Engineering, Northeastern University, China

Aswani Kumar Cherukuri, School of Information Technology & Engineering, VIT University, Vellore, India

Vedran Čačić, University of Zagreb, Department of Mathematics, Croatia

Nishant Doshi, Pandit Deendayal Petroleum University, Gandhinagar, India

Maud Ehrmann, EPFL CH-1015, Lausanne, Switzerland

Qiang Fan, New Jersey Istitute of Technology, USA

Renato Ferrero, Polytechnic University of Turin, Italy

Ozren Gamulin, University of Zagreb, School of Medicine, Department of Physics and Biophysics, Croatia

Jose Manuel Gascuena, University of Castilla-La Mancha, Ciudad Real, Spain

Karina Gibert, Polytechnic University of Catalonia, Barcelona, Spain

Goran Glavaš, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Vlado Glavinić, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Mingwei Gong, Mount Royal University, Calgary, Canada

Walid Khaled Hidouci, ESI Graduate School of Computer Science, Algiers, Algeria

Victoria Hodge, University of York, UK

Tzung-Pei Hong, National University of Kaohsiung, Taiwan

Nazrul Hoque, Department of Computer Science and Engineering, Tezpur University, Napaam, Assam, India

Marko Horvat, Zagreb University of Applied Sciences, Croatia

Tomislav Hrkač, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Khalil Ibrahimi, Faculty of Sciences, Ibn-Tofail University, Kenitra, Morocco

Nikola Ivković, University of Zagreb, Faculty of Organization and Informatics, Varaždin, Croatia

Jose-Luis Izquierdo-Zaragoza, Polytechnic University of Cartagena, Spain

Janusz Jablonski, Faculty of Mathematics, Computer Science and Econometrics, University of Zielona Góra, Poland

Cyriac James, University of Calgary, Canada

Ivica Janeković, Ruđer Bošković Institute, Zagreb, Croatia

Yue Jia, University College London, UK

Alan Jović, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Andrea Kő, Corvinus University of Budapest, Hungary

Josip Krapac, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Devdatta Kulkarni, University of Texas, Austin, USA

Tsutomu Kumazawa, Software Research Associates, Inc.

Mario Kušek, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Per Lenberg, Chalmers University of Technology, Gothenburg, Sweden

Peng Li, New Jersey Institute of Technology, USA

Shifeng Liu, Beijing Jiaotong University, China

Xilong Liu, New Jersey Institute of Technology, USA

Fernando Losilla Lopez, Polytechnic University of Cartagena, Spain

Robert Manger, University of Zagreb, Department of Mathematics, Croatia

Darijan Marčetić, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Ian Markwood, University of South Florida, USA

María-Teresa Martínez-Inglés, University Centre of Defence at the Spanish Air Force Academy, Spain

Domagoj Matijević, Department of Mathematics, University of Osijek, Croatia

Farhad Mehdipour, The Japan Egypt Science and Technology Collaboration Center, Kyushu University, Japan

Lily Meng, University of Hertfordshire, Hatfield, UK

Bálint Molnár, Eötvös Loránd University of Budapest, Hungary

Juan Pedro Muñoz Gea, Polytechnic University of Cartagena, Spain

Clemens Muenzer, Swiss Federal Institute of Technology in Zurich, Switzerland

Juan Luis Olmo, University of Córdoba, Spain

Jose-Juan Pedreno-Manresa, Polytechnic University of Cartagena, Spain

Tomislav Petković, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Jean-Philippe Poli, The French Alternative Energies and Atomic Energy Commission, France

Slobodan Ribarić, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Strahil Ristov, Ruđer Bošković Institute, Zagreb, Croatia

Rok Rupnik, University of Ljubljana, Faculty of Computer and Information Science, Slovenia

Ramón Sanchez, Polytechnic University of Cartagena, Spain

Ravi Sandhu, University of Texas at San Antonio, USA

Markus Schatten, University of Zagreb, Faculty of Organization and Informatics, Varaždin, Croatia

Siniša Šegvić, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

John Christian Spainhour, Georgia Institute of Technology, USA

Miroslaw Staron, Chalmers University of Technology, Gothenburg, Sweden

Damjan Strnad, University of Maribor, Faculty of the Electrical Engineering and Computer Science, Slovenia

Marko Subašić, University of Zagreb, Faculty of Electrical Engineering and Computing, Croatia

Sumathy Subramaniam, School of Information Technology & Engineering, VIT University, Vellore, India

Vito Štruc, University of Ljubljana, Faculty of Electrical Engineering, Slovenia

Chandra Mouliswaran Subramanian, School of Information Technology & Engineering, VIT University, Vellore, India

Ildikó Szabó, Corvinus University of Budapest, Hungary

Mincong Tang, Beijing Jiaotong University, China
